

IFA Rotorion – Powertrain belongs to IFA Rotorion – Holding GmbH, one of the leading suppliers of subassemblies for the automotive industry, offering each client unique and customised solutions. We cooperate with such leading automotive companies as Daimler, VW, BMW, GM, Chrysler, Audi, Porsche, Ford and Ferrari. We supply what is the best.

The passion, commitment to work and ideas of our 2300 employees constitute a basis for our innovations and modern technologies. Thanks to this, we help to shape the future of the automotive industry and are able to react to our customers' future needs.

As IFA Rotorion – Holding GmbH we conduct business activities in Germany (with the headquarters in Haldensleben) and USA – in Charleston, and Asia – in Shanghai.

In connection with our further development, we are building a production plant in Poland – in the community of Ujazd in the Opolskie voivodship.

IFA Powertrain Polska will manufacture propshafts for the Daimler Group.
